

COUNTERS & SHOWCASES

DISPLAY

Attractive and durable checkouts,
service counters, register stands,
showcases and more.

COUNTERS & SHOWCASES

At Madix, we get it. You've got challenges. To complement our metal displays, Madix offers a variety of wooden checkouts, service counters, showcases, corner fills and nesting tables. Attractive and durable, Madix's standard displays are available in an array of finishes. Utilize high pressure laminates or thermofused panels to customize displays that create a distinctive store environment.

CUSTOMIZE

When faced with unique merchandising challenges, Madix's extensive engineering staff can work with a retailer to develop custom products that meet his or her particular needs.
