Organization & Accessories

Keeping thousands of SKUs organized and easy to find are two of the most difficult challenges met by house and kitchenware retailers. Madix offers an array of specialty shelves and accessories to help keep merchandise tidy. Utilize wire accessories, peg hooks, promotional binning, aisle fixtures, and more to maximize sales floor flexibility. Custom accessories can also be tailored to fit your specific needs.

Organization through accessories makes products easy to spot and more likely to sell

Solutions that Excite

At Madix, our Maxi Line system gives customers more than 48" (1219 mm) of extra facing space by adding 1 3/8" (35 mm) to each section. This means more products on display, and more selling opportunities per square foot. Display merchandise of all genres in efficient and attractive systems, combined with in-store signage and lighting products to add pizzazz to merchandising categories.

Big Opportunities

Keep shoppers engaged with dynamic queuing fixtures and service counters. Our point-of-sale displays create unlimited opportunities for impulse buys and cross sales, improving your bottom line as customers stand in line to check out. Customize each display with accessories that can easily be changed to best merchandize seasonal or promotional products. Combine with distinctive accessories and freestanding aisle displays to increase sales.

Engage shoppers in the aisles and in the checkout lines
