## Freestanding Modern Fixture

Madix's Feature Aisle Display is an efficient way to display merchandise in the main aisles or high traffic areas of stores. Perfect for small and large sales floors alike, the Feature Aisle Display lifts sales by displaying merchandise on all four sides. Colorful and completely customizable, utilize the shelves alone, or combine with pegboard for displaying pegged merchandise.

★ **Feature Merchandise  
in Main Aisles of Stores**

★ **Merchandise Visible  
on All Four Sides**

★ **Flexible Unit Appropriate  
for All Market Segments**

★ **Display product with a smaller  
footprint with the NEW 2'x3' version**
