AND WALL FIXTURE

DISPLAY

Luxe

Luxe helps retailers create upscale store environments. Compared to custom fixtures, Luxe is equally attractive, but it is more cost effective and has add-on and replacement parts readily available. Luxe is perfectly suited for merchandising a variety of merchandise such as apparel, shoes, and housewares. It's perfect to outfit your whole store or just specific merchandise within departments. The system's unique round upright allows retailers to build displays from four directions. The new patent pending display is easy to install, which retailers will appreciate.

- Equally attractive to custom fixtures
- More cost effective than custom fixtures
- Add-on and replacement parts readily available

ACCESSORIES

DISPLAY

Harness a library of existing accessories to make any fixture from an island apparel rack to a wall-mounted display solution. Luxe's versatility allows you even to create tables and freestanding units.
