

# Y-GONDOLA

DISPLAY

## Create Focal Points

When space is minimal, but attracting product attention is important, Madix's Y-Gondola creates a perfect focal point for increased product sales. Constructed entirely from Madix's famous Maxi Line components, assembly is fast and easy. Y-Gondola's innovative design encourages customers to view and interact with highlighted merchandise with ease.

- ★ **Creates Focal Points**
- ★ **Highlights Merchandising Categories or Department**
- ★ **Clever and Efficient End Cap Displayer**
