Strength and Flexibility

Larger stores with volumes of merchandise need fixtures that can handle big loads. Find interesting ways to display an abundance of merchandise with Madix's Maxispan line. Maxispan combines the strength and functionality of Pallet Rack with the versatility of Maxi Line. This system provides the storage capacities of warehouse-type fixtures with the customization capabilities of standard gondola systems.

Efficient Pharmacy

Create a pharmaceutical workspace that is efficient and comfortable for your workforce. Useful counters and bay shelving make filling prescriptions easier and more productive for your pharmacists and staff. Madix offers an entire line of modular pharmacy fixtures. Customize the behind-the-counter space with sliding panels and binning that improves productivity.

Cross Sales & Impulse Buys

Large-scale freestanding displays and accessories offer eye-catching add-ons for stores filled mostly with Pallet Rack. Utilize large promotional binning to display and promote featured merchandise. Specially designed displays for beer and wine allow retailers to showcase and expand liquor sales. Encourage cross sales and impulse buys with custom displays and accessories that best utilize your sales floor.
