HARDWARE & HOME IMPROVEMENT

Making the sales floor efficient is one of the most difficult challenges for hardware and home improvement retailers. At Madix, we offer products that answer the efficiency challenge. Maxi Line offers thousands of shelves, merchandising accessories, and back panel options make this line universally appealing to all market segments. Heavy-Duty Systems, including Pallet Rack and Wide Span are versatile, multi-functional solutions for organizing and storing heavy loads (500-10,000 lbs). Madix offers solutions to accommodate your large or out-of-the-box items, making the most of your display and shelf space.
